| 3.2. Mixtures                         |   |
|---------------------------------------|---|
| Not applicable                        |   |
| <b>SECTION 4: First aid measures</b>  |   |
| 4.1. Description of first aid measu   | res   |
| First-aid measures general            | : Move out of dangerous area. Consult a physician and show this safety data sheet.  |
| First-aid measures after inhalation   | : If breathed in, move person to fresh air. If not breathing, give artificial respiration. Consult a physician.   |
| First-aid measures after skin contact | : Wash with soap and plenty of water. Consult a physician.  |
| First-aid measures after eye contact  | : Flush eyes with water as a precaution.  |
| First-aid measures after ingestion    | : Never give anything by mouth to an unconscious person. Rinse mouth with water. Consult a physician.   |
| 4.2. Most important symptoms an       | d effects, both acute and delayed   |
| Symptoms/effects after inhalation     | : May be harmful if inhaled. May cause respiratory tract irritation.  |
| Symptoms/effects after skin contact   | : May be harmful if absorbed through skin. May cause skin irritation.   |
| Symptoms/effects after eye contact    | : May cause eye irritation.   |
| Symptoms/effects after ingestion      | : May be harmful if swallowed.  |
|                                       | nedical attention and special treatment needed  |
| No additional information available   |   |
| SECTION 5: Firefighting measu         | res   |
| 5.1. Extinguishing media              |   |
| Suitable extinguishing media          | : Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide.   |
| 5.2. Special hazards arising from     | the substance or mixture  |
| No additional information available   |   |
| 5.3. Advice for firefighters          |   |
| Firefighting instructions             | : Wear self contained breathing apparatus for fire fighting if necessary.   |
| Protection during firefighting        | : Do not enter fire area without proper protective equipment, including respiratory protection.   |
| <b>SECTION 6: Accidental release</b>  | measures  |
| 6.1. Personal precautions, protect    | ive equipment and emergency procedures  |
| 6.1.1. For non-emergency personne     | Al contraction of the second se |
| Emergency procedures                  | : Avoid dust formation. Avoid breathing vapors, mist or gas.  |
| 6.1.2. For emergency responders       |   |
| No additional information available   |   |
| 6.2. Environmental precautions        |   |
|                                       | to do so. Do not let product enter drains. Discharge into the environment must be avoided.  |
| 6.3. Methods and material for con     | tainment and cleaning up  |
| For containment                       | : Take up mechanically (sweeping, shoveling) and collect in suitable container for disposal.  |
| Methods for cleaning up               | : Sweep up and shovel. Keep in suitable, closed containers for disposal.  |
|                                       |   |
|                                       |   |

## ARACHIDIC ACID (METHYL-D3, 98%) DLM-1234

### Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830 and according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 6.4. Reference to other sections        |  |
|---|--|
| No additional information available     |  |
| SECTION 7: Handling and storage         |  |
| 7.1. Precautions for safe handling      |  |
| Additional hazards when processed       | : Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventive fire protection.    |
| Hygiene measures                        | : Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and at the end of workday. |
| 7.2. Conditions for safe storage, inclu | uding any incompatibilities  |
| Technical measures                      | : Keep container tightly closed in a cool, dry and well-ventilated place.  |
| Storage conditions                      | : Store at room temperature away from light and moisture.  |
| 7.3. Specific end use(s)                |  |
| No additional information available     |  |

| SECTION 8: Exposure controls/personal protection |
|--|
|--|

8.1. **Control parameters** No additional information available

#### 8.2. **Exposure controls**

Personal protective equipment

: Gloves. Safety glasses. Protective clothing. Respiratory protection of the dependent type.

Hand protection Eye protection Skin and body protection

Respiratory protection

- : protective gloves.
- : Wear safety glasses with side shields (or goggles) and a face shield.
- Choose body protection according to the amount and concentration of the dangerous ÷ substance at the work place.
- : When appropriate, use NIOSH/CEN approved respirator.

### **SECTION 9: Physical and chemical properties**

| 9.1. Information on basic physical and      | d chemical properties             |     |
|---|-----------------------------------|-----|
| Physical state                              | : Solid                           |     |
| Appearance                                  | : Crystalline, powder             |     |
| Molecular mass                              | : 315.55 g/mol (Labeled)          |     |
| Color                                       | : White                           |     |
| Odor  | : No data available               |     |
| Odor threshold                              | : No data available               |     |
| рН  | : No data available               |     |
| Relative evaporation rate (butyl acetate=1) | : No data available               |     |
| Melting point                               | : 74 - 76 °C (165 - 169 °F) - lit |     |
| Freezing point                              | : No data available               |     |
| Boiling point                               | : No data available               |     |
| Flash point                                 | : 110 °C (230 °F) - closed cup    |     |
| Auto-ignition temperature                   | : No data available               |     |
| Decomposition temperature                   | : No data available               |     |
| Flammability (solid, gas)                   | : No data available               |     |
| Vapor pressure                              | : No data available               |     |
| Relative vapor density at 20 °C             | : No data available               |     |
| Relative density                            | : No data available               |     |
| Solubility                                  | : No data available               |     |
| Log Pow                                     | : No data available               |     |
| Log Kow                                     | : No data available               |     |
| Viscosity, kinematic                        | : No data available               |     |
| Viscosity, dynamic                          | : No data available               |     |
| Explosive properties                        | : No data available               |     |
| Oxidizing properties                        | : No data available               |     |
| 03/03/2022                                  | EN (English US)                   | 3/6 |

#### ARACHIDIC ACID (METHYL-D3, 98%) DLM-1234

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830 and according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 26, 2012 / Rules and Regulations                    |   |
|---|---|
| Explosion limits                                    | : No data available   |
| 9.2. Other information                              |   |
| No additional information available                 |   |
| SECTION 10: Stability and reactivity                |   |
| 10.1. Reactivity                                    |   |
| No additional information available                 |   |
| 10.2. Chemical stability                            |   |
| Stable if stored under recommended conditions.      |   |
| 10.3. Possibility of hazardous reactions            |   |
| No additional information available                 |   |
| 10.4. Conditions to avoid                           |   |
| No additional information available                 |   |
| 10.5. Incompatible materials                        |   |
| Bases, Oxidizing agents, Reducing agents.           |   |
| 10.6. Hazardous decomposition products              |   |
| Formed under fire conditions: Carbon oxides.        |   |
| <b>SECTION 11: Toxicological information</b>        | on  |
| 11.1. Information on toxicological effects          |   |
| Acute toxicity                                      | : Not classified  |
| Skin corrosion/irritation                           | : Not classified  |
| Serious eye damage/irritation                       | : Not classified  |
| Respiratory or skin sensitization                   | : Not classified  |
| Germ cell mutagenicity                              | : Not classified  |
| Carcinogenicity                                     | : Carcinogenicity - Mouse - Implant. Tumorigenic: Neoplastic by RTECS criteria. Kidney, Ureter, Bladder: Tumors.  |
| Reproductive toxicity                               | : Not classified  |
| Specific target organ toxicity – single exposure    | : Not classified  |
| Specific target organ toxicity – repeated exposure  | : Not classified  |
| Aspiration hazard                                   | : Not classified  |
| Potential Adverse human health effects and symptoms | : This information is based on our current knowledge and is intended to describe the product for the purposes of health, safety and environmental requirements only. It should not therefore be construed as guaranteeing any specific property of the product. |
| Symptoms/effects after inhalation                   | : May be harmful if inhaled. May cause respiratory tract irritation.  |
|   | : May be harmful if absorbed through skin. May cause skin irritation.   |
| Symptoms/effects after eye contact                  | : May cause eye irritation.   |
| Symptoms/effects after ingestion                    | : May be harmful if swallowed.  |

| SECTION 12: Ecological information                                 |  |
|--|--|
| 12.1. Toxicity   |  |
| Ecology - general  | The product is not considered harmful to aquatic organisms or to cause long-term adverse effects in the environment. |
| ARACHIDIC ACID (METHYL-D3, 98%) (202480                            | -70-4)   |
| Toxicity to algae,daphnia and other aquatic invertebrates- Remarks | No toxicity at the limit of solubility   |
|  |  |
| 12.2. Persistence and degradability                                |  |
| ARACHIDIC ACID (METHYL-D3, 98%) (202480                            | -70-4)   |
| Biodegradation   | Biodegradability Result: - Readily biodegradable.  |
| 12.3. Bioaccumulative potential                                    |  |
| ARACHIDIC ACID (METHYL-D3, 98%) (202480                            | -70-4)   |
| Bioaccumulative potential  | Does not biomagnify along the food chain.  |
|  | -  |

#### ARACHIDIC ACID (METHYL-D3, 98%) DLM-1234

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830 and according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 12.4. Mobility in soil                         |  |
|--|--|
| No additional information available            |  |
| 12.5. Results of PBT and vPvB assessme         | nt   |
| No additional information available            |  |
| 12.6. Other adverse effects                    |  |
| Other adverse effects                          | : Avoid release to the environment. Disposal must be done according to official regulations.   |
| CECTION 42: Dispacel consideration             |  |
| SECTION 13: Disposal consideration             | 15   |
| 13.1. Waste treatment methods                  |  |
| Regional legislation (waste)                   | : Waste materials should be disposed of under conditions which meet Federal, State, and local<br>environmental control regulations.                              |
| Product/Packaging disposal recommendations     | : Offer surplus and non-recyclable solutions to a licensed disposal company. Contact a licensed professional waste disposal service to dispose of this material. |
| Ecology - waste materials                      | : Dispose as unused product.   |
| <b>SECTION 14: Transport information</b>       |  |
| In accordance with ADR / RID / IMDG / IATA / A | DN   |
| 14.1. UN number                                |  |
| Not applicable                                 |  |
| 14.2. UN proper shipping name                  |  |
| Not applicable                                 |  |
| 14.3. Additional information                   |  |
| Other information                              | : No supplementary information available.  |
