#### 3.2. **Mixtures**

Not applicable

| SECTION 4: First aid measures   |   |  |
|---|---|--|
| 4.1. Description of first aid measures                                      |   |  |
| First-aid measures after inhalation   | : If breathed in, move person to fresh air. If not breathing, give artificial respiration. Consult a physician. |  |
| First-aid measures after skin contact                                       | : Wash off with soap and plenty of water. Consult a physician.  |  |
| First-aid measures after eye contact  | : Flush eyes with water as a precaution.  |  |
| First-aid measures after ingestion  | : Never give anything by mouth to an unconscious person. Rinse mouth with water. Consult a physician.           |  |
| 4.2. Most important symptoms and effe                                       | ects, both acute and delayed  |  |
| Symptoms/effects after inhalation   | : May be harmful if inhaled. May cause respiratory tract irritation.  |  |
| Symptoms/effects after skin contact   | : May be harmful if absorbed through skin. May cause skin irritation.   |  |
| Symptoms/effects after eye contact  | : May cause eye irritation.   |  |
| Symptoms/effects after ingestion  | : May be harmful if swallowed.  |  |
| 4.3. Indication of any immediate medic                                      | al attention and special treatment needed   |  |
| No additional information available   |   |  |
| SECTION 5: Firefighting measures  |   |  |
| 5.1. Extinguishing media  |   |  |
| Suitable extinguishing media  | : Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide.                                     |  |
| 5.2. Special hazards arising from the s                                     | ubstance or mixture   |  |
| No additional information available   |   |  |
| 5.3. Advice for firefighters  |   |  |
| Protection during firefighting  | : Do not enter fire area without proper protective equipment, including respiratory protection.                 |  |
| SECTION 6: Accidental release mea   | asures  |  |
| 6.1. Personal precautions, protective e                                     | quipment and emergency procedures   |  |
| 6.1.1. For non-emergency personnel  |   |  |
| Emergency procedures  | : Avoid dust formation.   |  |
| 6.1.2. For emergency responders   |   |  |
| No additional information available   |   |  |
|   |   |  |
| 6.2. Environmental precautions  |   |  |
| Do not let product enter drains. Prevent entry to sewers and public waters. |   |  |
| 6.3. Methods and material for containing                                    |   |  |
| For containment   | : Sweep up and shovel. Keep in suitable, closed containers for disposal.  |  |
|   |   |  |

# L-PHENYLALANINE (RING-13C6, 99%) MICROBIOLOGICAL/PYROGEN TESTED c

CLM-1055-MPT

### Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830 and according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 6.4. Reference to other sections            |  |  |
|---|--|--|
| No additional information available         |  |  |
| SECTION 7: Handling and storag              | e  |  |
| 7.1. Precautions for safe handling          |  |  |
| Additional hazards when processed           | : Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for<br>preventive fire protection. |  |
| Hygiene measures                            | : Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and at the end of workday. |  |
| 7.2. Conditions for safe storage, inc       | luding any incompatibilities   |  |
| Technical measures                          | : Keep container tightly closed in a dry and well-ventilated place.  |  |
| Storage conditions                          | : Store at room temperature away from light and moisture.  |  |
| 7.3. Specific end use(s)                    |  |  |
| No additional information available         |  |  |
| SECTION 8: Exposure controls/p              | ersonal protection   |  |
| 8.1. Control parameters                     |  |  |
| No additional information available         |  |  |
| 8.2. Exposure controls                      |  |  |
| Personal protective equipment               | : Gloves. Self-contained breathing apparatus. Protective clothing. Protective goggles.                                       |  |
|   |  |  |
| Eye protection                              | : Wear safety glasses with side shields (or goggles) and a face shield.  |  |
| Respiratory protection                      | : When appropriate, use NIOSH/CEN approved respirator.   |  |
| SECTION 9: Physical and chemical properties |  |  |
| 9.1. Information on basic physical a        | nd chemical properties   |  |
| Physical state                              | : Solid  |  |
| Appearance                                  | : Crystalline  |  |
| Molecular mass                              | : 171.15 g/mol (Labeled)   |  |

| : 171.15 g/mol (Labeled)                                |
|---|
| : White to off-white                                    |
| : No data available                                     |
| : No data available                                     |
| : 5.0 - 7 at 16.5 g/l at 25 °C (77 °F)                  |
| : No data available                                     |
| : 270 - 275 °C (518 - 527 °F)                           |
| : No data available                                     |
| : Water: 16.5 g/l at 20 °C (68 °F) - Completely soluble |
| : No data available                                     |
|   |

| SECTION 16: Other information |  |
|-------------------------------|--|
| Other information             | : This product is not radioactive. The data given for this product are those of the corresponding unlabeled compound, unless specifically indicated otherwise. Health and safety data for labeled compounds are generally not available, but are assumed to be similar or identical to the corresponding unlabeled compound. |
| NFPA health hazard            | : 0 - Materials that, under emergency conditions, would offer no hazard beyond that of ordinary combustible materials.   |
| NFPA fire hazard              | : 0 - Materials that will not burn under typical fire conditions, including intrinsically noncombustible materials such as concrete, stone, and sand.  |
| NFPA reactivity               | : 0 - Material that in themselves are normally stable, even under fire conditions.   |
| Hazard Rating                 |  |
| Health                        | : 0 Minimal Hazard - No significant risk to health   |
| Flammability                  | : 0 Minimal Hazard   |
| Physical                      | : 0 Minimal Hazard   |
