

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830 and according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Date of issue: 21/06/2011 Revision date: 11/03/2019 Supersedes: 19/10/2016

NLM-4204

Version: 2.1

| 1.1. Product identifier         |  |
|---------------------------------|--|
| Product form                    | : Substance  |
| Substance name                  | : L-ASPARAGINE-N-FMOC, N-BETA-TRITYL (15N2, 98%)   |
| CAS-No.                         | : 204633-98-7  |
| Product code                    | : NLM-4204   |
| Formula                         | : (C6H5)3C*NHCOCH2CH(*NH-FMOC)COOH   |
| Synonyms                        | : Fmoc-Asn(Trt)-OH / Nalpha-Fmoc-Ny-trityl-L-asparagine / Nalpha-(9-<br>Fluorenylmethoxycarbonyl)-Ny-trityl- <sc>L-asparagine</sc> |
| 1.2. Relevant identified uses   | of the substance or mixture and uses advised against   |
| 1.2.1. Relevant identified uses |  |
| Main use category               | : Professional use   |

Main use category Industrial/Professional use spec

: For professional use only

#### Uses advised against 1.2.2.

No additional information available

#### Details of the supplier of the safety data sheet 1.3.

Cambridge Isotope Laboratories, Inc. 50 Frontage Road Andover, MA 01810 USA USA: 1-800-322-1174 Int: 1-978-749-8000 cilsales@isotope.com www.isotope.com

### **Emergency telephone number**

Emergency numbers:

Chemtrec: 1-800-424-9300 (24 hours) International: 1-703-741-5970 (24 hours)

## **SECTION 2: Hazards identification**

2.1. **Classification of the substance or mixture** 

## Classification according to Regulation (EC) No. 1272/2008 [CLP]

Not classified

Classification according to Directive 67/548/EEC [DSD] or 1999/45/EC [DPD] Not classified

#### **GHS-US** classification

Not classified

Adverse physicochemical, human health and environmental effects

No additional information available

#### 2.2. Label elements

Labeling according to Regulation (EC) No. 1272/2008 [CLP] No labeling applicable

**GHS-US** labeling

No labeling applicable

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830 and according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

#### 2.3. **Other hazards**

No additional information available

| 3.2.    | Mixtures |  |  |  |  |
|---------|----------|--|--|--|--|
| Not app | olicable |  |  |  |  |

| SECTION 4: First aid measures          |   |  |  |  |  |
|--|---|--|--|--|--|
| 4.1. Description of first aid measures | 3   |  |  |  |  |
| First-aid measures general             | : If you feel unwell, seek medical advice (show the label where possible). Evacuate danger area   |  |  |  |  |
| First-aid measures after inhalation    | : When symptoms occur: go into open air and ventilate suspected area. If not breathing give artificial respiration. Get medical advice/attention.   |  |  |  |  |
| First-aid measures after skin contact  | : Wash with plenty of soap and water. and soap. Get immediate medical advice/attention.   |  |  |  |  |
| First-aid measures after eye contact   | : Rinse cautiously with water for several minutes.  |  |  |  |  |
| First-aid measures after ingestion     | : Never give anything by mouth to an unconscious person. Rinse mouth out with water. Get medical advice/attention.  |  |  |  |  |
| 4.2. Most important symptoms and e     | ffects, both acute and delayed  |  |  |  |  |
| Symptoms/effects after inhalation      | : May be harmful if inhaled. May cause respiratory irritation.  |  |  |  |  |
| Symptoms/effects after skin contact    | : May be harmful in contact with skin. May cause moderate irritation.   |  |  |  |  |
| Symptoms/effects after eye contact     | : May cause eye irritation.   |  |  |  |  |
| Symptoms/effects after ingestion       | : May be harmful if swallowed.  |  |  |  |  |
| 4.3. Indication of any immediate med   | lical attention and special treatment needed  |  |  |  |  |
| No additional information available    |   |  |  |  |  |
| SECTION 5: Firefighting measure        | S   |  |  |  |  |
| 5.1. Extinguishing media               |   |  |  |  |  |
| Suitable extinguishing media           | : Water spray. dry chemical powder, alcohol-resistant foam, carbon dioxide (CO2).   |  |  |  |  |
| 5.2. Special hazards arising from the  | substance or mixture  |  |  |  |  |
| No additional information available    |   |  |  |  |  |
| 5.3. Advice for firefighters           |   |  |  |  |  |
| Firefighting instructions              | : Fight fire with normal precautions from a reasonable distance. Wear a self contained breathing apparatus. Do not enter fire area without proper protective equipment, including respiratory protection. |  |  |  |  |
| Protection during firefighting         | : Do not enter fire area without proper protective equipment, including respiratory protection.<br>Wear recommended personal protective equipment.  |  |  |  |  |
| SECTION 6: Accidental release m        | easures   |  |  |  |  |
| 6.1. Personal precautions, protective  | e equipment and emergency procedures  |  |  |  |  |
| 6.1.1. For non-emergency personnel     |   |  |  |  |  |
| Emergency procedures                   |   |  |  |  |  |
|  |   |  |  |  |  |

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830 and according to Federal Register / Vol. 77, No. 58 / Monday, March

| 26, 2012 / Rules and Regulations             |  |
|--|--|
| 6.1.2. For emergency responders              |  |
| Protective equipment                         | : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".  |
| 6.2. Environmental precautions               |  |
| Prevent entry to sewers and public waters. D | Do not allow to enter drains or water courses. Avoid release to the environment.   |
| 6.3. Methods and material for contai         | nment and cleaning up  |
| For containment                              | : Take up mechanically (sweeping, shoveling) and collect in suitable container for disposal.   |
| Methods for cleaning up                      | : This material and its container must be disposed of in a safe way, and as per local legislation.   |
| 6.4. Reference to other sections             |  |
| For further information refer to section 13. |  |
| SECTION 7: Handling and storage              | e  |
| 7.1. Precautions for safe handling           |  |
| Precautions for safe handling                | : Provide adequate ventilation to minimize dust and/or vapor concentrations.   |
| Hygiene measures                             | : Wash hands and other exposed areas with mild soap and water before eating, drinking or<br>smoking and when leaving work. Handle in accordance with good industrial hygiene and safety<br>practice. |
| 7.2. Conditions for safe storage, incl       | luding any incompatibilities   |
| Technical measures                           | : Store in a well-ventilated place. Keep container tightly closed.   |
| Storage conditions                           | : Store refrigerated (-5 C - 5 C) and dessicated.  |
| 7.3. Specific end use(s)                     |  |
| No additional information available          |  |
| SECTION 8: Exposure controls/p               | ersonal protection   |
| 8.1. Control parameters                      |  |
| No additional information available          |  |
| 8.2. Exposure controls                       |  |
| Appropriate engineering controls             | : Wash hands and other exposed areas with mild soap and water before eating, drinking or   |
|  | smoking and when leaving work.   |
| Personal protective equipment                | : Gloves. Protective clothing. Protective goggles. Self-contained breathing apparatus.   |
|  |  |
| Materials for protective clothing            | : Wear suitable protective clothing and gloves.  |
| Hand protection                              | : Wear suitable protective clothing and gloves.  |
| Eye protection                               | : Wear eye protection. Chemical goggles or face shield with safety glasses.  |
| Skin and body protection                     | : Wear suitable protective clothing, gloves and eye/face protection.   |
| Respiratory protection                       | : In case of inadequate ventilation wear respiratory protection. Approved supplied air respirator.   |
| Environmental exposure controls              | : Avoid release to the environment.  |
| <b>SECTION 9: Physical and chemic</b>        | al properties  |
| 9.1. Information on basic physical a         | nd chemical properties   |
| Physical state                               | : Solid  |
| Appearance                                   | : Powder   |
| Molecular mass                               | : 598.66 g/mol (Labeled)   |
| Color  | : Light yellow   |
| Odor   | : No data available  |
| Odor threshold                               | : No data available  |

- Relative evaporation rate (butyl acetate=1) : No data available
- : 201 204 °C (394 399 °F) Melting point
- Freezing point : No data available
- Boiling point : No data available
- Flash point : No data available
- Auto-ignition temperature : No data available Decomposition temperature : No data available

pН

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830 and according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Flammability (solid, gas)       | : No data available                |
|---------------------------------|------------------------------------|
| Vapor pressure                  | : No data available                |
| Relative vapor density at 20 °C | : No data available                |
| Relative density                | : No data available                |
| Solubility                      | : Water: 0.07 g/l at 20 °C (68 °F) |
| Log Pow                         | : 3.9 at 20 °C (68 °F)             |
| Log Kow                         | : No data available                |

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830 and according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| <b>SECTION 12: Ecological information</b>                 |  |
|---|--|
| 12.1. Toxicity  |  |
| Ecology - general   | : The product is not considered harmful to aquatic organisms or to cause long-term adverse effects in the environment.   |
| L-ASPARAGINE-N-FMOC, N-BETA-TRITYL (1                     |  |
| LC50 fish 1   | > 100 mg/l Danio rerio (Zebra fish) - 96 h   |
| 12.2. Persistence and degradability                       |  |
| L-ASPARAGINE-N-FMOC, N-BETA-TRITYL (1                     | 5N2. 98%) (204633-98-7)  |
| Biodegradation  | 3 % Not readily biodegradable.   |
| 12.3. Bioaccumulative potential                           |  |
| L-ASPARAGINE-N-FMOC, N-BETA-TRITYL (1                     | 5N2, 98%) (204633-98-7)  |
| Log Pow   | 3.9 at 20 °C (68 °F)   |
| 12.4. Mobility in soil                                    |  |
| No additional information available                       |  |
| 12.5. Results of PBT and vPvB assessmer                   | it   |
| No additional information available                       |  |
| 12.6. Other adverse effects                               |  |
| Other adverse effects                                     | : An environmental hazard cannot be excluded in the event of unprofessional handling or disposal.  |
| SECTION 13: Disposal consideration                        | S  |
| 13.1. Waste treatment methods                             |  |
| Regional legislation (waste)                              | : Waste materials should be disposed of under conditions which meet Federal, State, and local environmental control regulations.                                 |
| Product/Packaging disposal recommendations                | : Offer surplus and non-recyclable solutions to a licensed disposal company. Contact a licensed professional waste disposal service to dispose of this material. |
| Ecology - waste materials                                 | : Dispose of as unused product.  |
| <b>SECTION 14: Transport information</b>                  |  |
| In accordance with ADR / RID / IMDG / IATA / AD           | N  |
| 14.1. UN number   |  |
| Not applicable  |  |
| 14.2. UN proper shipping name                             |  |
| Not applicable  |  |
| 14.3. Additional information                              |  |
| Other information   | : No supplementary information available.  |
| Special transport precautions                             | : Not dangerous goods.   |
| Overland transport<br>No additional information available |  |
| Transport by sea<br>No additional information available   |  |
| Air transport<br>No additional information available      |  |
| 14.4. Environmental hazards                               |  |
| Other information   | : No supplementary information available.  |
| 14.5. Special precautions for user                        |  |
| Special transport precautions                             | : Not dangerous goods.   |
|   | x II of MARPOL 73/78 and the IBC Code  |

| SECTION 16: Other information |  |
|-------------------------------|--|
| Other information             | : This product is not radioactive. The data given for this product are those of the corresponding unlabeled compound, unless specifically indicated otherwise. Health and safety data for labeled compounds are generally not available, but are assumed to be similar or identical to the corresponding unlabeled compound. |
| NFPA health hazard            | : 0 - Materials that, under emergency conditions, would offer no hazard beyond that of ordinary combustible materials.   |
| NFPA fire hazard              | : 0 - Materials that will not burn under typical fire conditions, including intrinsically noncombustible materials such as concrete, stone, and sand.  |
| NFPA reactivity               | : 0 - Material that in themselves are normally stable, even under fire conditions.   |
| Hazard Rating                 |  |
| Health                        | : 1 Slight Hazard - Irritation or minor reversible injury possible   |
| Flammability                  | : 0 Minimal Hazard   |
| Physical                      | : 0 Minimal Hazard   |

#### **CIL Substance SDS**

This information is based on our current knowledge and is intended to describe the product for the purposes of health, safety and environmental requirements only. It should not therefore be construed as guaranteeing any specific property of the product
